PERSONAL PROJECT

Shop House Local webApp - 🔗
ShopHouse Local is a team project, developed for connecting local shops to their regular customers by online mode and thus also avoiding hustle of standing in queue in them.

Task Tracker App - 🔗
This web page gives users the ability to record the items or work that they want to accomplish for the day and mark them as complete.

2020
12th CBSE
Sri Satya Sai Vidya Vihar - GAIL

2018
10th CBSE
Kendriya Vidyalaya GAIL - GUNA

EXPERIENCE

Google Cloud Platform
GCP - Work form home
- Worked on Google cloud platform where I get over 50 hands-on labs practice.
- Along the way, learn & practice concepts like computing, VM instances, VPC, Bucket, Kubernetes etc. using cloud & if you get stuck, you will have your "Facilitators" who are specially trained on Google Cloud to help.
- Race the clock with players around the world, collect badges, and earn special swag!

ACHIEVEMENTS

- **#GoogleCloudReady Facilitator**
Successfully completing 1 Milestone of the Google Cloud Ready Facilitator Program 2k22, Where I got to learn about cloud computing and earn skills badges as well as amazing Google Goodies & stickers.
- **RAJYA PURASKAR AWARD BS&G**
This is my biggest achievement in my life that I successfully cracked the RAJYAPURASKAR award at regional level (Bhopal division 2016) and selected for the RASTRAPATI AWARD 2017 at national level in the field of Bharat Scout & Guide (BSG).
